SUMMARY: (Enter concise summary of report. Give significance in final one-paragraph paragraph. List witnesses at lower left. Begin text of report on AF Form 112-Part II.)			
<p>1. Reported sighting of unusual objects in vicinity of Jamestown, New York approximately 5 miles southeast of Syracuse, New York, nights of 19, 20, 21, 22, and 26 April 1952.</p> <p>2. Interviews of witnesses produced information to effect that objects were planets appearing to have movement to the naked eye because of high thin clouds moving across faces of planets during period of sightings and causing a coloration of the planets.</p> <p>3. Witnesses appear convinced said objects were only planets and were abashed at the interest the Air Force took in their original report of sightings.</p>
